Dear Sir: *

On the night of August 6, the Newark Eagles baseball team will play the Philadelphia Stars a ball game at Ruppert Stadium for the benefit of the Community Hospital. All of the proceeds of this game will go to purchase needed equipment for the hospital.

This is the only hospital in New Jersey where ~~negroes~~ our colored physicians, nurses and interns may secure hospital training. It is most important for the health of our race that this training is not curtailed because of inadequate facilities.

Knowing of your interest in the colored people of this community and the many fine things you have done in their behalf, we are asking that help us make this affair a financial success.

Patron tickets for this game sell for \$1.00 each and boxes seating 16 cost \$12.00. We are asking that you take a box for this game and that you use your influence to get your friends to also help this worthy charity. We are not asking for outright donations. We only want persons to purchase tickets as their contribution to the hospital.

~~Thanking~~ Just send your order and check to Mrs. Effa Manley, 101 Montgomery st., Newark, N.J.

Thanking you for your cooperation, We are

Very truly yours,

Game Committee
